

## Coffee Hour Schedule January through December 2010

Here is the schedule for coffee hour hosts for the year. **If you are assigned a slot that is impossible for you to fill, please find a substitute and inform the church office.** St. Stephen's truly appreciates your willingness to undertake this ministry of hospitality. The good news is that we each have only TWO slots during the year. That's a big step forward in growth!

Phone numbers are on the back of this sheet for your convenience.

Sandra & David Kirkpatrick	580-5060		
Marshall & Lucia Lloyd	(804)443-9444	Amy Jones (church office)	724-4238

### **Coffee hour instructions:**

Hosts make coffee, heat water for tea, and provide lemonade or iced tea in the summer, and clear up afterwards. Everything else is optional!

Coffee (regular and decaf), tea bags, sugar, powdered creamer, and powdered lemonade mix are provided. Styrofoam cups, napkins stirrers and toothpicks are provided. There are tablecloths, silverware, and some serving dishes. Please survey what is available and use what you can.

### **Set up:**

If the service is indoors, coffee and hot water urns go on the sink counter, and food on the kitchen table. Space is at a premium. If the service is outdoors, serve where you like. Instructions on how to brew the coffee is posted inside the left most cabinet door in the kitchen. Brewing a 30 cup pot takes approximately 50 minutes and uses 1 1/2 cups of coffee.

### **Clean up:**

Please bag up trash and either take it home with you for disposal (nicest option!) or put it in one of the cans in the garage. Be sure the air conditioning is turned down to 80 upstairs and down before you leave. Lock up.

Thank you!
