Mowing

Mowing should preferably be done between Wednesday and Saturday.

Trimming

Trimming includes mowing the back garden with the handmower, trimming along fences and around parish house, as necessary.

Weeding

Weeding includes: weeding vegetable and flower gardens, as necessary; using the weedeater around the trees, walkways; and general sprucing.

NOTE:

If you are unable to mow/trim/weed on your assigned week, please contact someone else on the roster to switch with you.
